

January 2018. Dr. Peter Lewis, head of the Winston School in Short Hills has agreed to chair the joint Visiting Committee for Accreditation the Newark Boys Chorus School. As the head of Winston he brings a strong independent school background to his upcoming role at NBCS. Quite uniquely, Peter has maintained a career as an educator for over 40 years alongside an active singing career. He's sung over 25 leading tenor roles in the San Francisco Bay Area as well as New York and New Jersey. He's also performed many concerts featuring works from operetta and Broadway.

He will be meeting with our Head of School, Rich Willett and the administrative team in the near future to review the final draft of our self-study and to make plans for the Committee's visitation.
